

Middle School Pod Supply List

Dear Parents and Students,

Welcome to Southeastern Academy's Middle School Pod. We hope your summer was filled to the brim with fun activities and relaxing days. Our goal is to make this a successful year for you and your child. The first step to success is preparation!!!

Shopping for middle school can be very daunting. To ease the transition, we are providing a snapshot view of our class supplies. Below is a list of supplies based on individual class needs. On the back, we have created a user-friendly shopping list containing all the supplies your child will need for the middle school pod!

Every item has a specific purpose! We encourage all students to start the school year with the items they need to succeed!
